

The 2027 Salinas Biological Summit

Sponsorship Prospectus

SHOWCASING BIOLOGICAL
SOLUTIONS THAT DELIVER
EFFICACY & ROI

JUNE 22 – 23, 2027
SALINAS SPORTS COMPLEX
CALIFORNIA

WWW.SALINAS-SUMMIT.COM

Dear Valued Sponsor,

On behalf of the Organizing Committee, it is my absolute pleasure to invite you to join us as a Sponsor of the 2027 Salinas Biological Summit.

After four highly successful Summits from 2023–2026, 2027 is shaping up to be our biggest, boldest, and most influential gathering yet. This year's Summit expands to a five day program, bringing together innovators, growers, researchers, regulators, and investors for a week of high impact dialogue and collaboration.

Salinas will host the main Summit and side events from Monday, June 21 to Wednesday, June 23. Then, on Thursday, June 24 and Friday, June 25, delegates will have the opportunity to participate in a series of optional deep dive events across the Davis/Sacramento region — extending the conversation into one of the world's most dynamic agricultural innovation corridors.

We are also thrilled to announce a formal partnership with The Grower Talks Podcast. Together, we're building a single, always on channel that keeps the biologicals conversation alive every month of the year — not just during Summit week. This collaboration ensures that the insights, debates, and breakthroughs shared in Salinas continue to resonate globally long after the event concludes.

This prospectus outlines the Sponsorship and Exhibition packages available for 2027. Each option is designed to elevate your brand, amplify your leadership, and position your organization at the forefront of the rapidly expanding biologicals sector.

We encourage you to review the opportunities and select the package that best aligns with your strategic goals. If you require any clarification, our team is ready to assist.

Get ahead of your industry partners — planning early means positioning early.

We look forward to welcoming you to Salinas in 2027 and partnering with you for what promises to be a truly exceptional and globally significant event.

"This is an incredibly important and timely Summit that focuses on an area that needs much more attention, planning and coordination of next Gen tools so we can ensure continued bountiful production of horticultural crops so critical to health and nutrition."

Karen Ross
California Food and Agriculture
Department Secretary

The 2027 Salinas Biological Summit isn't just returning, it's levelling up.

What began as four breakthrough gatherings in 2023, 2024, 2025 and 2026 has now evolved into one of the world's most grower driven biological events, and the 2027 edition is shaping up to be the most ambitious, most global, and most influential Summit yet.

The biologicals conversation is accelerating, but one truth hasn't changed: growers must remain at the center. The 2027 Program is built around that principle. With Platform10's global framework now fully established, delegates will hear directly from biopesticide innovators and the growers running real world Platform10 field trials across multiple regions.

These aren't theoretical discussions — they're frontline insights from people solving real problems in real fields. Climate driven pest pressure. Declining efficacy of legacy chemistries. Shrinking access to traditional tools.

The 2027 Summit will spotlight the biological solutions rising to meet these challenges, with sessions led by researchers, regulators, and growers who are already adapting their crop protection strategies.

International delegations will once again travel to Salinas to share best on farm practices, regulatory insights, and adoption strategies from their own regions. This global perspective is what makes the Summit unique — it's not just a conference, it's a cross border intelligence exchange.

The 2027 Summit expands to five days of formal sessions, optional workshops, field visits, networking events, and community engagement activities. For delegates, it's the richest program yet. For Sponsors and Exhibitors, it's a dramatically expanded opportunity to connect, showcase, and influence.

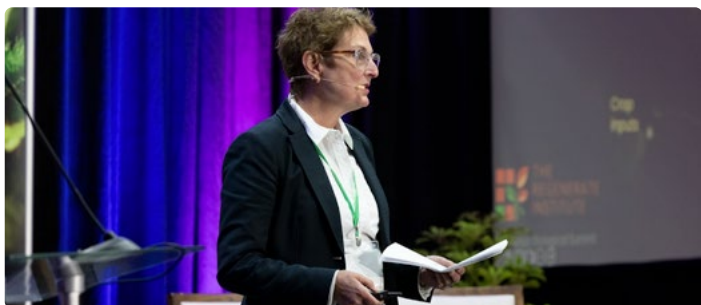

Introducing the Summit App

The 2027 Summit will be providing all delegates with a Summit App. The App will;

- Provide attendee profiles and company information.
- Enable direct messaging between participants.
- Support meeting scheduling before the event begins.
- Facilitate introductions between sponsors, exhibitors, growers, and investors.

For sponsors and exhibitors, the App will provide the opportunity for sponsored banners and splash screens, featured sponsor profiles and push notifications from sponsors. All designed to provide measurable engagement rather than just logo placement.

Another great new additional sponsor tool for the 2027 Summit.

About The Grower Talks Podcast

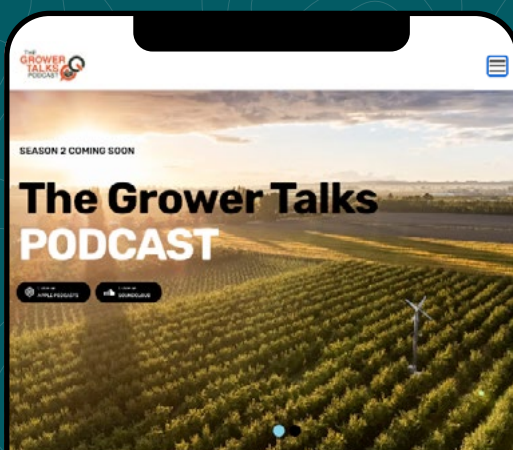

The Grower Talks Podcast is exploding into the spotlight — the go to channel for Specialty Crop and Horticulture Growers who are steering one of the biggest transformations in crop protection in decades.

Biological inputs aren't just "emerging" anymore — they're taking over the main stage, and this podcast is engineered to deliver the sharp insights, expert intelligence, and multi stakeholder dialogue needed to drive adoption at scale.

It champions the growers who are rewriting the rules of modern agriculture. With chemical pesticides rapidly exiting the toolbox, biologicals are stepping forward with urgency — and The Grower Talks is here to guide, empower, and energize that transition. Every episode brings dynamic themes, real world conversations, and the cross sector collaboration this moment demands.

And now, with the formal partnership between the Salinas Biological Summit and The Grower Talks Podcast, the sector gains something it has never had before: a single, always on channel for the conversations that must keep happening — not just in June, but every month of the year.

All episodes, insights, and upcoming releases are available on the dedicated podcast portal: www.thegrowertalks.com

The Program

The Summit Program isn't just a two day event, it's a catalyst for the next era of biological innovation. It's where the people who shape the future of agriculture come together: the researchers pushing boundaries, the regulators rewriting the rulebook, the growers demanding better tools, and the investors ready to fuel the next wave of breakthroughs. This is where conversations turn into collaborations — and collaborations turn into impact.

Each theme in the 2027 Salinas Biological Summit has been crafted to spark action, not just discussion:

- **The Biologicals Landscape**
A clear-eyed look at where biologicals stand today, what's working, and what's about to scale.
- **Global Regulation & Retail**
How shifting rules and retailer expectations are reshaping grower decisions worldwide.
- **Industry Leadership Insights**
What the biggest players in agtech, crop protection, and food systems see coming next.
- **Future Research & Investment**
The emerging science, the capital flows, and the opportunities that will define the next decade.
- **Platform10 Field Trials**
Real-world data, real grower experiences, and real proof points from the sector's most ambitious biological trials.

The 2027 Salinas Biological Summit will once again unite local and international leaders to tackle the sector's biggest challenge: helping growers transition away from prescribed chemical pesticides and toward effective, scalable biological solutions.

This is not a side conversation. This is the conversation — and growers are at the center of it.

The Summit creates a rare environment where growers can directly influence the science, the policy, and the investment shaping their future. It's a chance to connect with innovators, challenge assumptions, and help steer the biologicals movement in a direction that delivers real value on the ground.

The Summit isn't just an event. It's an opportunity to develop new collaborations that generate impact.

"Growers from California, the nation and the world will all benefit from the 2027 Salinas Biological Summit. New ways of controlling plant pests and diseases with new tools will help maintain healthy crops while increasing on-farm sustainability."

Don Cameron
President, Terra Nova Ranches

Wharf42 is delighted to convene the 2027 Salinas Biological Summit.

Wharf42 isn't just a New Zealand based consultancy — it's one of the engines driving the global biologicals movement forward.

Since launching Agritech New Zealand in 2018 and co founding the Australia New Zealand Agritech Council in 2019, Wharf42 has been at the center of the conversations reshaping modern crop protection. Its international partnerships have become genuine catalysts for change.

Working in partnership with Western Growers, Wharf42 helped deliver the inaugural Salinas Biological Summit in 2023 — an event that has rapidly become one of the most insightful gatherings for biological innovation. On June 22–23, 2027, the 5th Edition returns to the Salinas Sports Complex, bigger, louder, and more globally connected than ever.

Across the Pacific, Wharf42 has been equally ambitious. It hosted the 2035 Oceania Summit in 2022, co hosted the Brisbane Biological Symposium with CSIRO in 2025, and later that same year brought the biologicals conversation to Asia with the inaugural Asia Biological Symposium in Singapore.

This international footprint isn't just by chance — it's strategic. Biological inputs are reshaping crop protection, but no single country or company can solve the challenges alone. Progress demands cross border collaboration, shared intelligence, and partnerships that cut across continents and cropping systems.

Wharf42 is delighted to be convening the 2027 Salinas Biological Summit.

Stakeholder Level Delegates

The 2027 Salinas Biological Summit provides the platform for a wide cross-section of stakeholders to meet, network and collaborate on emerging biological technologies.

These key stakeholder groups include:

- Growers
- R&D Specialists
- Agribusiness Leaders
- Start-up Entrepreneurs
- Software Developers and Systems Integrators
- Investors
- Government Representatives
- Policy Makers
- Environmental Experts
- Compliance Officers

Social Events Outline

To complement the program, there will be a number of social activities taking place during the Summit, providing sponsors and exhibitors with ample opportunities to mingle and network with delegates in a warm and relaxed atmosphere.

Mon, June 21

VIP Reception (Invitation Only)

Tue, June 22

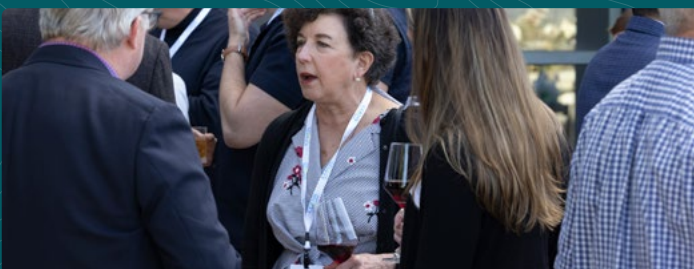

Summit Evening Reception

Wed, June 23

Networking Opportunities

Multiple Breakouts
During The Summit

SALINAS, CALIFORNIA

Salinas Sports Complex

The Salinas Sports Complex will once again host the 2027 Salinas Biological Summit.

Home to the world-famous Salinas Rodeo, the venue provides excellent presentation, exhibitor and networking spaces.

Over two packed days, delegates will enjoy extensive catering options, designed to keep conversations moving and connections forming. And on Tuesday, June 22, the Summit Reception will once again bring the entire community together — a high momentum close to Day One that sets the tone for the discussions that follow.

A Noteworthy Selection of Speakers from the 2026 Summit

Amy Roberts

Vice President, Regulatory Affairs, Lallemand Plant Care

Anne Todgham

Associate Dean, Agricultural Services, UC Davis
College of Agricultural and Environmental Sciences

Clarice Turner

President and CEO, Almond Board of California

Don Cameron

VP and GM, Terranova Ranch: President, California State Board of Food and Agriculture

Gabe Youtsey

Chief Innovation Officer, University of California Agriculture and Natural Resources

Karen Ross

Secretary, California Department of Food & Agriculture

Jim Davis

Global Business Leader for Biologicals and Seed Applied Technologies, Corteva Agriscience

Leia Bailey

Chief Deputy Director, California Department of Pesticide Regulation

Pam Marrone

Co-founder & Executive Chair, Invasive Species Foundation and Invasive Species Corporation

Patrick Brown

Professor of Plant Nutrition, University of California, Davis

Ronaldo Dalio

Founder and CEO, IdeeLab

Todd DeKryger

North American Regional Manager, Sustainable Agricultural Development, Nestlé

"Biologicals are growing at double digits and expected to surpass chemical pesticides within 20 years. The 2027 Salinas Biological Summit will allow California growers the opportunity to look at innovations in biologicals on a global basis."

Pam Marrone
Co-founder & Executive Chair, Invasive Species
Foundation and Invasive Species Corporation

Why your presence is essential at the 2027 Salinas Biological Summit

We understand how important it is for all of our sponsors and exhibitors to feel that your investment is wisely placed.

The Benefits of Participating as a Sponsor

- Maximum exposure at the premier Grower-focused Summit devoted to the ag biologicals sector
- The opportunity for you to interact with the most influential figures in the fields of biological research and application
- The opportunity to participate in the excellent social program allowing you to network with colleagues
- High visibility on the Summit website and throughout official marketing material
- The opportunity to deliver a clear message that you have a genuine commitment to Growers and the agrifood technology industry
- Build new relationships and strengthen existing ones
- Acquire highly qualified leads and increase brand awareness
- Meet the decision makers and gain instant market feedback

Why Exhibit at the 2027 Salinas Biological Summit?

- You can showcase your full product range in real life rather than a catalog – live events provide an optimized interactive marketing platform
- You can develop a personal and direct relationship with your customers
- You will receive immediate feedback on your product range and purchasers can gain a full appreciation of your product or service
- You will raise your profile in the biological and agrifood technology field and add value to your brands
- You can extend the scope of your promotions through the international delegations attending the Summit
- You could launch a new product and thereby generate media interest

To summarize, the benefits of your investment are exceptional exposure, creative networking spaces and opportunities, direct connections, new relationships, displayed commitment and excellent business transactions.

The Summit and Exhibitor organizers are keen to assist you leverage your investment. Please contact them directly with any specific requests you might have to deliver a unique proposition.

2027 Salinas Biological Summit Sponsorship Opportunities

Platinum SPONSOR

USD\$50,000

You will be recognized as a Premier Partner of the Summit.

Benefits

Registration:

- Ten (10) delegate registrations including sessions, morning coffee, afternoon tea, lunch and Summit Delegate Receptions.
- Four (4) exhibitor staff passes (morning coffee, afternoon tea, lunch and Summit Delegate Reception).
- Invitation to attend the Sponsors & Speakers VIP reception — number of tickets (6).

Exhibition Space

- 6'x8' prime space in the Exhibition area.

High value association

- Opportunity to host a complimentary breakfast session.
- Opportunity to sponsor / align with a session in the program (subject to committee and speaker approval. Sponsor will have no input into the session).
- Host a round table discussion as part of the formal Summit Program.

Profile

- 2 minute promotional video (to be placed on Summit website and shown during breaks between sessions).
- Company branding on the Summit Conference App.
- 10 minute Plenary Summit Address.
- Custom social media post across Summit networks.
- Branding on the Partner Wall.
- Verbal acknowledgment as a Platinum Sponsor at the Opening and Closing sessions.
- Company logo included on website with a hyperlink to your nominated website.
- Company logo on Summit signage where applicable.
- Opportunity to place a standard roll-up banner next to the registration desk.
- Entitled to a Grower Talks Podcast episode.

Complimentary

- Receive a complimentary offer of \$500 off any [AgList Subscription](#).

GOLD SPONSOR

USD\$25,000

You will be recognized as a Premier Partner of the Summit.

Benefits

Registration:

- Six (6) delegate registrations including sessions, morning coffee, afternoon tea, lunch and Summit Delegate Receptions.
- Three (3) exhibitor staff passes (morning coffee, afternoon tea, lunch and Summit Delegate Receptions).
- Invitation to attend the Sponsors & Speakers VIP reception — number of tickets (4).

Exhibition Space

- 6'x8' prime space in the Exhibition area.

High value association

- Opportunity to sponsor / align with a session in the program (subject to committee and speaker approval. Sponsor will have no input into the session).
- Host a round-table discussion as part of the formal Summit Program

Profile

- 1 minute promotional video (to be placed on Summit website and shown during breaks between sessions).
- Company branding on the Summit Conference App.
- 5 minute Plenary Summit Address.
- Custom social media post across Summit networks.
- Branding on the Partner Wall.
- Verbal acknowledgment as a Gold Sponsor at the Opening and Closing sessions.
- Company logo included on website with a hyperlink to your nominated website.
- Company logo on Summit signage where applicable.
- Entitled to a Grower Talks Podcast episode.

Complimentary

- Receive a complimentary offer of \$500 off any [AgList Subscription](#).

2027 Salinas Biological Summit Sponsorship Opportunities

SILVER SPONSOR

USD\$15,000

Benefits

Registration

- Four (4) delegate registrations including sessions, morning coffee, afternoon tea, lunch and Summit Delegate Receptions.
- Two (2) exhibitor staff passes (morning coffee, afternoon tea, lunch and Summit Delegate Receptions).
- Invitation to attend the Sponsors & Speakers VIP reception — number of tickets (3).

Exhibition Space

- 6'x8' prime space in the Exhibition area.

Profile

- Acknowledgment as a Silver Sponsor during the Summit Program.
- Branding on the Partner Wall.
- Company logo on website with a hyperlink to your nominated website.
- Company logo on the Summit signage, where appropriate.
- Company branding on the Summit Conference App.
- Entitled to a Grower Talks Podcast episode.

Complimentary

- Receive a complimentary offer of \$500 off any [AgList Subscription](#).

BRONZE SPONSOR

USD\$7,500

Benefits

Registration

- Two (2) delegate registrations including sessions, morning coffee, afternoon tea, lunch and Summit Delegate Receptions.
- One (1) exhibitor staff passes (morning coffee, afternoon tea, lunch and Summit Delegate Receptions).
- Invitation to attend the Sponsors & Speakers VIP reception — number of tickets (2).

Exhibition Space

- 6'x8' prime space in the Exhibition area.

Profile

- Company logo on website with a hyperlink to your nominated website.
- Branding on the Partner Wall.
- Company logo on the Summit signage.
- Company branding on the Summit Conference App.
- Acknowledgment as a Bronze Sponsor during the Summit Program.

Complimentary

- Receive a complimentary offer of \$500 off any [AgList Subscription](#).

Innovative Enhancements

(Additional Opportunities)

EXHIBITOR

USD\$2,500

Benefits

Registration

- One (1) exhibitor staff passes (morning coffee, afternoon tea, lunch and Summit Delegate Receptions).
- Each booth is size 6'x8' in the Exhibition area.

Each booth includes:

- 8' High Back Drape
- 3' High Side Rail
- 7"x44" Identification Sign
- (1) 6' Skirted Table
- (2) 2 Side Chairs
- (1) Waste Basket

Profile

- Company name on website with a hyperlink to your nominated website.
- Branding on the Partner Wall.

Complimentary

- Receive a complimentary offer of \$500 off any [AgList Subscription](#).

Summit Networking Event Sponsor

USD\$5,000

EXCLUSIVE OPPORTUNITY

Benefits

Registration

- Two (2) delegate registrations including sessions, morning coffee, afternoon tea, lunch and Summit Delegate Reception.

Profile

- Company logo included on website with a hyperlink to your nominated website.
- Company logo on Summit signage where applicable.
- Branding on the Partner Wall.
- Company branding and name recognition across Summit Networking event site.

Complimentary

- Receive a complimentary offer of \$500 off any [AgList Subscription](#).

Innovative Enhancements

(Additional Opportunities)

Summit Lunch Sponsors x2

USD\$3,000

EXCLUSIVE OPPORTUNITY

Benefits

Registration

- Two (2) delegate registrations including sessions, morning coffee, afternoon tea, lunch and Summit Delegate Reception.
